

THE SCHOOL OF ADAPTIVE COMPUTER TRAINING

To enhance the computer technical skills and marketability of people with disabilities and others affected by the digital divide.

Microsoft Office Specialist Certification: Excel

Now Enrolling!

Online **or** in person class options available.

Prerequisite

Introductory Microsoft Excel or equivalent experience.

Class Description

This class teaches students with fundamental Microsoft Office Excel skills to become more proficient and productive in the use of more advanced features of the application. In addition to learning more advanced topics, students will prepare for the MOS Certification exam in Microsoft Office Excel. As part of the class, students will be given the opportunity to take the MOS exam on-site in one of the SACT's certified Certiport® testing facilities or online.

Program Description

This program builds on the student's basic Microsoft Office skills to learn more advanced topics and prepare for the Microsoft Office Specialist (MOS) certification exam. The MOS certification is an industry recognized credential awarded by Microsoft.

Led by Experienced MOS Specialist Master Instructor

Topics Covered

- Microsoft Excel 2019 Advanced Topics
- Windows 10
- Certification Preparation and Practice
- Keyboarding
