Enroll now for classes beginning:

SCHEDULE

10 hours of training in 1 week.
Monday — Friday
11/15 class: 10 AM — 12 PM
11/15 class: 11 AM — 1 PM
Available online or in-person

Led by Experienced MOS Specialist Master Instructor

Program Description:

This class is part of a series designed for students with minimal computer experience. Each class will feature training in one key application of the Microsoft Office Suite including a class for each of the following: Word, Excel, and Outlook. These classes are designed to be taken independently of each other. The student may begin with any class in the series and may take the classes in any order.

Topics Covered

- >> Microsoft Windows 10
- >> Microsoft Outlook 2013
- >> Keyboarding
 - >> Typing
 - >> Data Entry

Expected Student Outcomes

- >> Achieve competency in Outlook 2013
- >> Improve Typing and Data Entry Speed and Accuracy
- >> Demonstrate Excellent Attendance and Punctuality

It's about employment and independence for people with disabilities. The rest is technology.
